

# YOUR FRUIT DELIVERY REFERENCE GUIDE

1-800-468-3168 • [FloridaIndianRiverGroves.com](http://FloridaIndianRiverGroves.com)

- When your fruit arrives, separate your order by variety and box size.
- Keep the driver at your location until you verify you have received the correct count.
- Do not distribute any fruit until you have verified your entire order is correct and accounted for.
- If you believe you are short, recount your order a second time with the driver's help.
- If you still believe you are short, or if there is any other problem, call our offices immediately.
- You must call while the driver is still at your location. Once the driver leaves, you are responsible for the fruit.
